

A STORY OF GROWTH

“City of Järvenpää is open for business – be part of our story of growth!”

URBAN DEVELOPMENT AT FULL SPEED

City of Järvenpää is the fastest growing city in Finland. Located in the greater Helsinki metropolitan area, just 20–25 minutes away from Helsinki International Airport, Järvenpää offers a perfect mixture of history, culture and nature in a fast-paced urban environment.

DOING BUSINESS WITH A SWING

Shovel ready in 2019, a brand-new Business Park “Svengi” is now open for investments. Located just few steps from the city centre with a direct access to commuter and distance train network, Svengi Business Park is a perfect place for companies who are interested in operating in the heart of urban atmosphere.
